✓ Shopping Cart Tests (AT-003) › AT-003.3: Should update product quantity in cart (chromium) cart.spec.js:64	7.4s
✓ Shopping Cart Tests (AT-003) › AT-003.4: Should remove product from cart (chromium) cart.spec.js:83	8.4s
✓ Shopping Cart Tests (AT-003) › AT-003.5: Should display correct order total (chromium) cart.spec.js:108	6.1s
✓ Shopping Cart Tests (AT-003) › AT-003.6: Should show empty cart message when cart is empty (chromium) cart.spec.js:124	3.1s
✓ Shopping Cart Tests (AT-003) › AT-003.7: Should apply invalid discount code and show error (chromium) cart.spec.js:140	8.3s
✓ Shopping Cart Tests (AT-003) › AT-003.8: Should have terms and conditions checkbox for checkout (chromium) cart.spec.js:172	6.7s
✓ Shopping Cart Tests (AT-003) › AT-003.9: Should navigate to checkout when terms accepted (chromium) cart.spec.js:201	8.8s

⌄ checkout.spec.js

✓ End-to-End Checkout Tests (AT-004) › AT-004.1: Complete E2E checkout - Register,   25.6s
Add Product, Checkout with COD (chromium)
checkout.spec.js:31

✓ End-to-End Checkout Tests (AT-004) › AT-004.2: E2E checkout with configurable   21.9s
product (Build Computer) (chromium)
checkout.spec.js:109

✓ End-to-End Checkout Tests (AT-004) › AT-004.3: E2E checkout with multiple   20.9s
products (chromium)
checkout.spec.js:176

✓ End-to-End Checkout Tests (AT-004) › AT-004.4: Verify checkout requires login for   8.8s
guest (chromium)
checkout.spec.js:243

✓ End-to-End Checkout Tests (AT-004) › AT-004.5: Verify order details before   21.5s
confirmation (chromium)
checkout.spec.js:272

⌄ login.spec.js

✓ User Login Tests (AT-002) › AT-002.1: Should login with valid credentials after   10.5s
registration (chromium)
login.spec.js:21

✓ User Login Tests (AT-002) › AT-002.2: Should show error for invalid email format   4.1s
(chromium)
login.spec.js:49

✓ User Login Tests (AT-002) › AT-002.3: Should show error for non-existent user   4.4s
(chromium)
login.spec.js:63

✓ User Login Tests (AT-002) › AT-002.4: Should show error for wrong password   7.6s
(chromium)
login.spec.js:73

✓ **User Login Tests (AT-002) › AT-002.5: Should show error for empty credentials**   4.3s

chromium

login.spec.js:95

✓ **User Login Tests (AT-002) › AT-002.6: Should have working remember me**   3.3s

checkbox chromium

login.spec.js:110

✓ **User Login Tests (AT-002) › AT-002.7: Should have forgot password link** chromium   3.7s

login.spec.js:123

✓ **User Login Tests (AT-002) › AT-002.8: Should have link to register page** chromium   3.9s

login.spec.js:131

✓ **User Login Tests (AT-002) › AT-002.9: Should logout successfully after login**   6.8s

chromium

login.spec.js:140

⌄ registration.spec.js

✓ **User Registration Tests (AT-001) › AT-001.1: Should register new user with valid data**   4.3s

chromium

registration.spec.js:20

✓ **User Registration Tests (AT-001) › AT-001.2: Should show error for empty required**   3.2s

fields chromium

registration.spec.js:36

✓ **User Registration Tests (AT-001) › AT-001.3: Should show error for invalid email**   8.7s

format chromium

registration.spec.js:51

✓ **User Registration Tests (AT-001) › AT-001.4: Should show error for password**   9.3s

mismatch chromium

registration.spec.js:69

✓ **User Registration Tests (AT-001) › AT-001.5: Should show error for weak password**   3.8s

chromium

registration.spec.js:94

✓ **User Registration Tests (AT-001) › AT-001.6: Should be able to select gender**   3.3s

chromium

registration.spec.js:112

✓ **User Registration Tests (AT-001) › AT-001.7: Should navigate to login page from**   3.7s

register page (chromium)

registration.spec.js:122
